Editorial

Dear Members,

As you know, our Mediclaim Policy 'B' is due for renewal on 16.01.2019. In this connection, for the first time on the insistence of our Federation leaders, Corporate Centre has invited our Federation leaders to come and meet them with their suggestions etc. The meeting is expected to be held at the earliest to enable the Corporate Centre to finalise the same at an early date to issue the new instructions, if any i.e. Premium, Capping, Addition of some Diseases etc. In this connection, our all Circle Associations of SBI Pensioners have submitted their advices in this regard to the Federation for their further taking up the matter with the Bank. Few of them are as follows :

1. One of the major issue is how to make the policy affordable? The family pensioner and pensioners with lower amount should get higher subsidy.
2. The members who are availing higher coverage, should also get higher subsidy which includes Domicillary facility.
3. The claims under Domicillary should not be rejected merely on technical grounds.
4. Regular meetings i.e. Monthly Meetings should be held by the Circle Management with the Circle Associations to discuss the problems faced by the pensioners, on, ongoing basis.
5. Payments of the reimbursement of the medical bills should be made in a time frame as agreed upon between the Insurance company and the Bank.

OUR WRIT PETITION NO. 1875/2013 IN DELHI HIGH COURT

The above case was heard on 12.11.2018 before Lunch although it was listed for post lunch period. Our Counsel Sh. Misra advised the court that more than 10000 pensioners have already left this world and reiterated the Supreme Court directions. The Chief Justice of the Delhi High Court after hearing the views, expressed by our Counsel, said that his bench would hear the case on 24.01.2019 without any adjournment being given and finish off the matter.

Dear Comrades, this is very heartening development. Let us wait for 24.01.2019 and onwards for the final judgement.
