Editorial...

Respected Pensioners,

Once again we are here to share the latest developments in the Banking era, viz. regarding pension updation, 100% D.A. Neutralisation of pre-2002 retirees i.e. as on 31.10.2002. Although there has not been yet final announcement by I.B.A./Govt. on the above issue, but as advised earlier the things are moving slowly and steadily. The Hon'ble Supreme Court of India had called for the report on the above subjects on 17.1.2022 but the date was postponed for 4.2.2022 and again pre-poned for 20.1.2022. It is learnt that IBA/Govt. has requested the hon'ble Court i.e. Supreme Court that they require some more time to place the report before them and the Supreme Court has given three months time for the needful. As advised earlier that two committees constituted by the IBA regarding pension updation i.e. 100% D.A. neutralisation of pre 1/11/2002 retirees are on the way, as stated above, for the needful. The final decision of the

Govt. of India is awaited regarding the implementation of both the above stated demand of the pensioners/retirees.

In this connection, there is no alternative except to wait & see the decision of the IBA/Govt. after Supreme Court gives their verdict or without Supreme Court's verdict as to be decided by the Govt. of India/IBA. Let us hope for the positive development over the matter because the matter is lingering for quite a long time.

2. The next date of hearing of our Writ Petition 1875/2013 is expected to be fixed in the month of February, 2022. As and when we hear from the federation of SBI Pensioners, we will revert to the same.
